

FRUIT & VEGE CO-OP

WELLINGTON REGION

Bringing healthy food to our neighbourhood

HOW OUR RETURNABLE BAGS WORK

- All returnable bags belong to your local Fruit & Vege Co-op and are only for use for your fruit and vege co-op order.
- When you get home unpack your returnable bags as soon as possible and if necessary hang up to dry (you do not need to wash them).
- Please return the bags to the Co-op when you pick up your next order.
- The Co-op will check the returnable bags are clean before being used again.

Our goal is to stop over 80,000 plastic bags from our co-ops entering the environment every year! To allow this to be sustainable, please remember to return your bag.
