“Just Sew”

exists to help women and men with all aspects of dressmaking and general sewing.

A patchwork & quilting tutor will be available on 1st and 3rd Wednesday of each month for those who wish to learn this skill

Cost

\$3 per morning.

This can be paid on a weekly or term basis.

Fabrics

Some donated fabrics are available for use. Most are less than 2 metres long.

Sewers are encouraged to bring their own patterns, fabrics, threads and zips.

Other Materials

Generous people have donated paper patterns, sewing threads, zips, lace, elastic, buttons and other sewing essentials. However we cannot guarantee to have the right coloured threads or zips, or an appropriate pattern.

Machines

We have 16 sewing machines on site, and table space for up to 18 sewing machines. You are welcome to bring your own machine

Helpers

There are normally at least 5 experienced home sewers available to help, as needed.

Packing Up

Each person is expected to pack up the machine they have been working on and return it to the storeroom. The hall must be packed up and left clear and clean by 1pm. Sewing stops at 12.30, and all present are expected to assist with the packing up and sweeping.

“Just Sew” is held during Term Time only and for safety reasons please do not bring pre school children
